

Bazar

(An online marketplace where sellers should sell products and buyer should buy products)

Product Goal: To provide “a single page” & “user friendly” exchange platform for Product Sellers & Buyers where they can use most out of an online marketplace.

Definition of DONE (DoD) for Individual Unit of Work:

- Meets all the Conditions of Satisfaction (CoS)
- Deliverable and Shippable
- Well Tested
- Single Page Application (SPA) Feature behavior
